COMES NOW Corey M. **Condition #25:** Defendant shall immediately enter into and successfully complete an inpatient treatment program. Pretrial Services will monitor Defendant while in treatment. Defendant shall comply with all directives of the U.S. Probation Officer. Prior to commencing any evaluation or treatment program, Defendant shall provide waivers of confidentiality permitting the United States Probation Office and the treatment provider to exchange without qualification, in any form and at any time, and all information or records related to the Defendant's conditions of release and supervision, and evaluation, treatment, and performance in the program. It shall be responsible of defense counsel to provide such waivers. If the Defendant terminates any treatment program before it is completed, the treatment provider and defendant shall immediately notify the U.S. Probation Officer, and Defendant shall immediately return to custody of the U.S. Marshal.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

(If short insert here; if lengthy write on separate sheet and attach.)

**Violation #1:** It is alleged that Ms. Allen violated her conditions of pretrial release by being unsuccessfully discharged from inpatient treatment at the Isabella House, on or about November 29, 2021.

On September 28, 2021, the defendant motioned the Court to release from custody and enter into inpatient treatment and successfully complete inpatient treatment. The Court granted the defendant's request.

On October 8, 2021, the undersigned reviewed the order granting Ms. Allen to participate in and successfully complete inpatient treatment, including condition number 25 (ECF. 53). Ms. Allen signed her conditions acknowledging an understanding of her conditions of pretrial release.

On September 29, 2021, Ms. Allen released from custody and entered into residential inpatient treatment at the Isabella House in Spokane, Washington. On November 28, 2021, the undersigned officer received a voice mail from Ms. Allen's counselor at the Isabella House, to include a followup call with Ms. Allen's counselor on November 29, 2021. She advised that Ms. Allen had overdosed on suspected fentanyl on November 28, 2021, while at the Isabella House. She had to be revived by Narcan and was taken to the hospital by ambulance. It was alleged that Ms. Allen had hidden fentanyl pills in their facility. Due to the behavior by Ms. Allen, she was unsuccessfully discharged from inpatient treatment. Ms. Allen has not made any effort to contact the undersigned officer and her whereabouts is unknown.
